TOUCHÉ

BY BRINKER

Every rug in the Touché collection is carefully crafted by hand, with attention to detail and a love for timeless design. Inspired by Dutch creativity, made with care across the globe.

At Brinker, we believe a rug is more than just a piece of wool, it's the foundation of a room's atmosphere. Our TOUCHÉ collection reflects Dutch design sensibilities: subtle elegance, modern warmth and lasting quality. Crafted by skilled artisans using traditional techniques, each piece tells a story of texture and authenticity.

Touché by Brinker offers 21 unique rugs, from refined flatweaves to bold hand-tufted designs. Innovative combinations of techniques and textures complete this diverse collection.
